916 Home Heating Oil

from Simple Energy, West Lebanon, NH

Simple Energy is the Upper Valley's locally owned and operated full service home heating company. They are offering you 100 gallons of fuel; choose between #2 heating oil or B20 BioHeat. Simple Energy's Premium Fuel Oil is fortified with a proprietary additive that enhances and stabilizes fuel characteristics. This fuel creates a cleaner and more efficient combustion that reduces wear and tear on your heating system. All of this translates into lower maintenance, longer system life and lower annual operating costs. Their B20 BioHeat is a heating oil blended with organic matter such as soybean oil. BioHeat is renewable, domestically grown, non-toxic, and generates less nitrogen oxide, sulfur oxide, and carbon dioxide emissions than regular heating oil. Like Bio-diesel for your car, BioHeat can burn in your existing system without any modification. (For more information, visit www.simpleenergyonline.com.) Value: \$420
